

# Old MacDonald's Barn

## Supplies:

- Markers
- Glue
- Scissors
- Egg Carton
- Construction Paper
- Cardboard Tube
- Large Greeting Card Envelope

## Directions:

1. Color the envelope and the cardboard tube red.
2. Cut one cup from the egg carton. Color it brown.
3. Glue the egg carton cup to the top of the cardboard tube. This is the silo.
4. Open the flap of the envelope to form the roof. Glue the silo to one side of the front of the envelope.
5. Cut a door and window for the barn from construction paper. Glue the door and window on the front of the envelope.
6. Color and cut out the farm animals. Slip them into the envelope.
7. As you sing the song "Old MacDonald Had a Farm" you can take each animal in the song out of the barn.
